your wellness

Self-care is not just a buzz word.

It's an essential strategy for keeping you healthy by reducing stress, preventing you from becoming overwhelmed and increasing your focus.

Self-care isn't about 'taking' time out. It helps you think more clearly, maintain your energy and make progress on the things that matter to you. Self-care helps you 'give' back.

There is only one you.
Nurture your body and mind.
Live your best life.

your term fees

Traralgon Neighbourhood Learning House is a non profit community based organisation and as such we endeavour to keep our class fees manageable and available to all.

When you register to attend a course you do so for the term.

Term fees are to be paid in full in the first week of term.

When you pay upfront, you pay your fees at a reduced rate.

Those who choose to pay weekly pay a slightly higher weekly fee.

All classes you enrol in for a term are expected to be paid for, whether you attend or not. Tutors, room hire and other costs still need to be paid and courses are scheduled based on student enrolments.

A \$5 admin fee applies to all classes each term. If you are enrolled in multiple classes you only pay one admin fee per term. If you are paying weekly, the admin fee is to be paid in the first class you attend.

Workshop fees are to be paid in full prior to the day of the workshop. Your enrolment is not guaranteed until payment has been received.

Our courses/workshops are very popular and sometimes full. Please ensure you confirm your enrolment.

Please speak to our friendly office staff if you have any concerns.
